SCHULZ

MCS PM

Air Compressors

The MCS PM piston compressors stand out for their superior efficiency and robustness.

With a permanent magnet brushless motor, they deliver high performance and have a longer lifespan. As they are developed without components that cause friction or wear during use, the compressors are compact and quieter.

**Synchronous motor
with aluminum head,
continuous operation,
and single-phase**

**Efficient, lightweight,
compact, robust,
and quiet.**

**Compressors suitable
for 24/7 operation**

MCSL 3/50 PM

50-liter tank

MCSL 3/AD PM

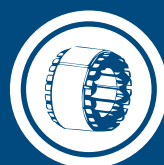

**POWER SELECTOR
(2 MODES):**

- **800 W and 2000 rpm:** recommended for applications requiring lower airflow — benefit: longer lifespan.
- **1100 W and 2600 rpm:** recommended for applications requiring higher airflow — benefit: higher productivity

12-MONTH WARRANTY

KEY APPLICATIONS:

- Bakeries
- Food industry
- Footwear industry
- Medical-dental line
- Small pneumatic tool operation

PERMANENT MAGNET BRUSHLESS MOTOR

High performance and greater durability

SMART LCD CONTROL PANEL

Easy operation

HIGH-CAPACITY AIR FILTER

Provides quality compressed air with less noise

PRESSURE SWITCH WITH ON/OFF BUTTON

Quick product activation

LOWEST NOISE LEVEL

The quietest in the category

TRANSPORT HANDLE

in the direct air version

MANEUVERING CABLE

in the version with a tank

Convenient transportation
